Party benefits! Each year, we have a Christmas party in early December at Grand Pointe. Tenants and other business associates are invited. Prior to that, we collect funds and items for **Spirit of Giving**, our charitable fund held at the Parkersburg Area Community Foundation. We choose several non-profits to benefit at the party. We will be sharing that information with you this fall, so you may choose to get involved with helping our charities. We'll see you at the Spirit of Giving reception!

Thank you for joining over 120 tenants of The PM Company. Let us know if we can assist you in any way. **Known for service, we are ready to serve you!**
